

Multimedia Project : Prezi/ GeoGebra

Teacher Name: **Sarah Fredrick**

Student Name: _____

CATEGORY	Actuary	Statistician	Beginning Statistician	Getting Actuarial Degree
Content 25%	Covers probability in-depth with details and examples. Knowledge about probability is excellent. Talks about the weather impact on the fair throughout the Prezi.	Includes essential knowledge about probability. Knowledge about probability appears to be good. Talks about weather impact on the fair but goes off the topic of the fair 1-2 times.	Includes essential information about probability but there are 1-2 factual errors. Talks about the weather impact on the fair half the time but goes off the topic of the fair a lot.	Content is minimal OR there are more than 2 factual errors. Doesn't talk at all about the impact of weather on the fair OR doesn't talk about weather or the fair.
Graphs 20%	Meets and exceeds the number of graphs (4) from GeoGebra required in the Prezi. Graphs are accurate.	Prezi only has 3 graphs from GeoGebra. None of the graphs are inaccurate.	Prezi has 1 - 2 graphs from GeoGebra. 2 -3 three of the graphs are inaccurate.	Prezi has no graphs OR the graphs are not from GeoGebra. Graphs are not accurate.
Group Work 20%	Worked together with partner to create the Prezi. There is no clear separation of work. I.E. the prezi looks the same throughout. Partners contributed the same amount to the Prezi.	Each student contributed almost as much as their partner. There is no clear separation of work.	Did not contribute as much as partner. There was a clear divide in the Prezi where the teacher could tell what part was worked on by each student.	Did not contribute to the product. Piece was missing from the Prezi. There was no clear separation of work in the Prezi because one partner didn't contribute.
Creativity/ Originality 15%	Product shows a large amount of original thought. Ideas are creative and inventive. The final product is unique, powerful, effective, and maintains the audience's attention.	Product shows some original thought. Work shows new ideas and insights. Presentation is balanced, attractive, and easy-to follow. Audience attention is maintained for most of the Prezi.	Uses other people's ideas (giving them credit), but there is no evidence of original thinking. There is a focus that is maintained throughout the piece, but it does not present information in a way that consistently keeps audience's attention.	Uses other people's ideas, but does not properly give them credit. Prezi is hard to follow and does not grab an audiences' attention.
Graphics, Sounds, Animations 10%	Uses graphics, sounds, and animations throughout the Prezi. Graphics, sounds, or animations are relevant and not distracting.	Uses graphics, sounds, and animations throughout most of the Prezi. All elements are not distracting.	Uses graphics, sounds, and animations throughout half of the Prezi. Some elements are distracting and take away from the overall quality of the Prezi.	Doesn't use any graphics, sounds, or animations. OR Elements used are distracting and take away from the overall quality of the Prezi.
Spelling/ Grammar 10%	No misspellings or grammatical errors.	Two or fewer misspellings and/or mechanical errors.	Three misspellings and/or grammatical errors.	4 or more errors in spelling or grammar.
